

CENTURY CASINO BATH - CAREERS WEBSITE

At Century Casinos, we aim to attract and select the very best people to represent our brand. Aside from technical expertise, we seek people with passion for delivering exceptional customer service, who will strive to help us consistently create an outstanding experience for our guests. We are offering a wide range of career opportunities at all levels with many roles and different career paths for new recruits to choose from.

The people who reflect our brand values are those committed to delivering the highest standards of service and who take pride in their work. We look for people who are enthusiastic, positive and who let their personality shine through. We welcome people who thrive working in a busy, fast paced and exciting environment and who can be flexible in line with our 24-hour industry.
