## PLAY OF THE DAY - RACE 9

(2) **CENTURY MACH** (M/L Odds 4/5) shipped out of here from the coast 10 days ago only in time to see a superb performance by **GRACEFUL HORIZON** in the **Bev Sears Memorial**, where she set a new track record of 1:52.1. The four-year-old daughter of **JK ROYAL FLUSH** will garner lots of support as she drops from the stakes action and should appreciate the company today. She has a fantastic 18-10-5-1 record so far for 2022. Driver/trainer **Kelly Hoerd** will call the shots in the sulky.

Punters wanting to go in another direction may want to look at the top dangerous threats namely (4) **TRUE CRIME**, who has been punishing cheaper and looks to step up in class or play (6) **OUTLAW ALLIE OOPS** who has talent and a hot pace up front makes her an upset threat if she brings her "A" game.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
