PLAY OF THE DAY - RACE 7

(3) **STATE YOUR CASE** (M/L Odds 9/5) appears to be trending in the right direction. After a decent place finish at the **TRACK ON TWO** on Oct 15, she came back on Oct 24 where she employed a tough first over trip and after a gutsy effort ending up third to repeat winner **LILPIECEOFMYHEART** who stopped the timer in 1:58.2. The three-year-old daughter of **STATE SENATOR** and Manitoba invader took last week off and will be seeking some payback against this group today. Driver/trainer and part owner Nathan Sobey will be in the bike to call the shots.

Other horses that merit consideration include (6) **ONTHEROADTOTEXAS** who was last seen on Super Finals Day but was overmatched ending up last in the **ABSS THREE-YEAR-OLD FILLIES CONSOLATION** and might enjoy getting back with friends today or for longshot lovers (5) **SEND ME A TWEET** who went off stride last time out but has shown some talent and may surprise in here.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
