PLAY OF THE DAY - RACE 12

(1) **STATE YOUR CASE** (M/L Odds 7/2) was our “Play” last week but she had a rough trip getting that dreaded parking ticket early through sizzling early splits but still shown some interest down the lane to end up fourth as the favourite that day. The three-year-old daughter of **STATE SENATOR** and Manitoba invader should not get that type of trip today and will be seeking some payback against this group today. Trainer and part owner Nathan Sobey will have driver Dave Kelly in the bike to call the shots.

Other horses that merit consideration include (2) **ONTHEROADTOTEXAS** who nearly stole the race on the front-end last week at 11-1 odds or (5) **MYOMYLOOKATMEFLY** who posted a nice off the pace victory with Mike Hennessy at the controls. Hennessy was a gigantic a week ago winning 5 races from an 8-race card.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
