## PLAY OF THE DAY - RACE 7

(7) **SUBZERO** (M/L Odds 5/2) put in a gutsy effort in the Alberta Shooting Star last time out but all he could muster was the show dough against the eventual winner **VEGAS GAMBLER**, who has won five races in a row. The two-year-old son of **SIXDAYSONTHEROAD** was a \$1,700 yearling purchase at the 2020 ASHA sale and will be seeking the Maiden victory in here and should be a prominent factor with a kind trip from this outside post. Driver **Brandon Campbell** will be in the bike for the Bodor barn today.

Other horses that merit consideration include a couple of fillies that will face the boys in here (5) **PROUD OF MY ROOTS** who was a decent runner-up in the Alberta Stardust last time or (4) **VENTIMATCHALATTE** who has more to offer and is eligible to do some damage with this inside post with the ever dangerous trainer/driver **Kelly Hoerd** calling shots in the bike.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
