PLAY OF THE DAY - RACE 3

(2) LADNER LAD (M/L Odds 2/1) has been brought along nicely by his connections and was superb versus tough stakes competition in his last couple efforts. This two-year old son of MYSTICIAN has been in the money in all three of his starts so far in his young career despite always drawing an outside post and finally draws a kinder post for this contest. This off the pace sort should be a major player who will enjoy a huge dose of class relief in here. Driver/trainer Jamie Gray will call the shots in the bike hoping this will be cap and gown day.

Other horses that merit consideration include the red hot driver/trainer Kelly Hoerdts who will guide (5) JOE DIMAGIO in here and was a good third last time out. He was a \$52,000 yearling purchase out of the 2020 BC sale who is headed the right direction or (4) METAKI who also gets class relief dropping from tough stakes competition and must respect the hot driver Brandon Campbell despite facing the boys today.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
