PLAY OF THE DAY - RACE 4

(2) **TAJMANIA** (M/L Odds 3/2) was given some class relief last time out looking to notch his first win for 2022, however things never worked out as he used a second over trip only to follow dead cover, then having to go three wide but still ended up a close second to the coast-to-coast winner **NICOTIME**, who he will face again today. The four-year-old son fo **TAJMA HALL** stays at this same class level seeking some revenge in here. Driver/trainer Logan Gillis will call the shots in the sulky.

Punters wanting to go in another direction may want to look at your probable post time favourite (4) **CAPTAIN FIREBALL** who shows up on occasion and can surprise a few if he brings his "A" game or (3) **ONE DRINK AGO** who has the talent to pick up a minor share in here.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
