MORE FROM FRANK

PLAY OF THE DAY - Race 6

3 MARLONS MAGIC (M/L Odds 3/1) has been razor sharp so far in 2019. After feasting on cheaper three starts back the four-year-old altered son of Betterthancheddar had to settle for second place dough chasing home CRACKLE N BURN in his next start who came right back to captured the NORM KENNEDY stakes last Sunday. He was runner-up again to the heavy favorite BC invader Kneedeep N Custard in his latest effort. He gets an inside post for a change and should be the one to beat in this field. Regular pilot Mike Hennessy will be in the sulky for the Rod Hennessy barn today.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs. Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level.

Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official

Century Downs race program before placing your bet. Good Luck!
