## PLAY OF THE DAY - Race 8

**(3) SPORTS LINGO (M/L Odds 8-1)** may be on the verge to turn the corner and post his third ever career win and may offer juicy odds. The lightly raced three-year-old son of the very useful sire Sportswriter has been chasing tougher foes and should appreciate the class relief and a decent post in here. Back on June 09, he was third over down the back stretch which saw an accident at the top of the lane but managed to stay clear and fanned five wide down the lane through quick splits with longshot Navajo Jack (13-1) winning it in 1:57.2. He was a \$10,000 yearling purchase at the 2017 ASHA sale. The stalking off the pace sort will have driver Mike Hennessy in the bike for the Rod Hennessy barn.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs. Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level.

Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official

Century Downs race program before placing your bet. Good Luck!
