PLAY OF THE DAY - Race 4

(2) CRACKLE N BURN (M/L Odds 3/1) had a rough trip in his latest start in the Alberta Plainsman back on May 26 ye still hung in for show dough. The three-year-old son of Blue Burner had a spectacular racing campaign last year and already has a superb 6-4-1-1 record this and was nominated for the 2018 Two-Year-Old Alberta Sired C&G and Two-Year-Old C&G honors. He gets a nice post inside post to work with and should get a much better trip. Regular pilot Phil Giesbrecht will call the shots for the Starkewski barn today.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs. Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level.

Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official

Century Downs race program before placing your bet. Good Luck!
