## PLAY OF THE DAY - Race 9

**(1) SHARK WEEK (M/L Odds 5/2) is a star on the rise. Back on October 03, he prevailed in the first \$19,100 division of the Alberta Shooting Star Stakes and remains undefeated after converting a second over trip to grab the lead down the backstretch through crisp splits of :26.4, :57 half and a closing last quarter of :29.1 on route to victory stopping the timer in 1:54.4 which established a new track record for Two-Year-Old pacing colts. The former track record of 1:55.2 was set in 2018 by Outlawgrabbingears.**

Rod Hennessy trains and co-owns SHARK WEEK (Vertical Horizon - Shark Gone Bad) with Lorne Duffield of Edmonton, Alta and was plucked out of the 2019 ASHA Yearling Sale for \$6,000.

Keep an eye on the top dangerous threats (9) DRAGON ENERGY the Sobey trainee who also made history as he too was victorious in the second division of the Shooting Star two weeks ago by making the lead early cutting out sizzling splits of :27.2, :56.3 and 1:24.4 and stopping the timer in a life's best and new track record of 1:54.1 for Two-Year-Old Geldings and (3) CODENAME CIGAR BOX (Hoerd) the 2019 BC Sale topper who sold for \$47,000 and who despite suffering an early mishap did well to check in for the show dough vs. the aforementioned DRAGON ENERGY.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck on SUPER FINALS DAY!
