PLAY OF THE DAY - Race 4

(7) PIPEWRENCH CHARLIE (M/L Odds 5/2) is overdue to pop. The three-year-old son of TRUST THE ARTIST has 8 lifetime starts with 4 place finishes. Two starts ago on Aug 15, he was a decent second to RED ROOSTER who was dropping in class from tough stakes competition that day and in his last start was runner-up to the race favourite MYSTIC DRAGON (Campbell) despite doing all the grunt work up front. He was a \$4,500 yearling purchase from the 2018 ASHA YEARLING SALE and will be driven by driver/trainer Phil Giesbrecht.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
