PLAY OF THE DAY - Race 5

(5) **OVERACTIVE** (M/L Odds 8/5) has been a gem of consistency having finished never worse than second in four career starts. She chased a beast in **CUSTARD SMOOTHIE** all around the track in her latest effort in the **ABSS Starburst** stake for **Two-Year-Old Fillies (First Division)** but will not have to face her today. The daughter of **Mystician** should be the controlling speed and looks like a top threat in this division of the **Jim Rogers Memorial** stake. She was a \$6,000 yearling purchase at the 2019 **ASHA** sale. Driver/trainer **Kelly Hoerd** will call the shots in the bike.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Downs.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
