## PLAY OF THE DAY - RACE 4

(3) **TIMELY PRIZE** was caught knocking heads often and early with the early speed going a route in his latest effort before predictably throwing in the towel. His previous races 3 races were solid never finishing worse than second. The seven-year-old altered son of Pure Prize cuts back to a sprint and gets class relief in here. With his regular jockey Rico Walcott in Hastings today to pilot Flatout Winner in the BC DERBY, trainer Dale Saunders will have jockey Prayven Badrie in the irons hoping for a return to the winner's circle.

The key to ensuring a successful profit at the races requires selecting the right spots on a daily basis. This analysis has been designed to help both novice and experienced players select that one special horse deemed to be the best wager of any horse running that day. The Play of the Day will be available for every live racing card at Century Mile.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Good Luck!
