2019 ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Century Casinos, Inc. for the Annual Meeting of Stockholders (“Annual Meeting”) to be held at the following date, time and place, and at any postponements or adjournments thereof:

June 7, 2019
8:00 a.m. Mountain Daylight Time
4:00 p.m. Central European Summer Time

Virtual Meeting
www.virtualshareholdermeeting.com/cnty2019

Matters to be considered and acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders and this proxy statement and are more fully described herein. The enclosed materials were first mailed on or about April 30, 2019 to our stockholders of record as of April 17, 2019.

YOUR VOTE IS IMPORTANT

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on June 7, 2019. This proxy statement and the annual report to stockholders are available at www.proxyvote.com. None of the information contained in our annual report is proxy solicitation material.

VOTING RIGHTS AND OUTSTANDING SHARES

Only stockholders of record at the close of business on April 17, 2019 will be entitled to vote at the Annual Meeting. On that date, there were 29,439,179 shares outstanding of our common stock, our only class of voting securities. Each share of common stock is entitled to one vote per share. Cumulative voting in the election of directors is not permitted.

All properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting. If a stockholder directs how a proxy is to be voted with respect to the business coming before the Annual Meeting, the proxy will be voted in accordance with the stockholder’s directions. If a stockholder does not direct how a proxy is to be voted, it will be voted as the Board recommends, which is as follows:

PROPOSALS	PAGE	RECOMMENDATION
Proposal No. 1: Election of Directors FOR the election of each of the nominees to the Board listed in this proxy statement and on the proxy card	9	YES
Proposal No. 2: Ratification of Independent Registered Public Accounting Firm FOR the ratification of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2019	10	YES
Proposal No. 3: Advisory Vote to Approve Executive Compensation FOR the approval of the advisory (non-binding) resolution regarding the compensation of our named executive officers	12	YES
Proposal No. 4: Advisory Vote on the Frequency of an Advisory Vote on Executive Compensation FOR the option of a vote “Every 1 Year” as the preferred frequency for advisory votes on executive compensation	14	EVERY 1 YEAR

A proxy may be revoked at any time before it is exercised by giving written notice to our Corporate Secretary at Century Casinos, Inc., 455 E. Pikes Peak Ave., Suite 210, Colorado Springs, Colorado 80903 or by delivery of a subsequently executed proxy. Stockholders may vote their shares in person if they attend the Annual Meeting, even if they have executed and returned a proxy. Stockholders will not be able to vote their shares by phone at the meeting.

Proxies are being solicited by mail, and, in addition, our directors, officers and regular employees (who will not receive any additional compensation) may solicit proxies personally, by telephone, by email, or by special correspondence. We will reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners of our common stock. All expenses involved in preparing, assembling and mailing this proxy statement and the enclosed material and in connection with the solicitation of proxies in regard to the proposals brought forward by us and included in this proxy statement will be paid by us.

QUORUM AND VOTES REQUIRED

The holders of a majority of our issued and outstanding shares of common stock, represented either in person or by proxy and entitled to vote at the meeting, will constitute a quorum for the transaction of business at the Annual Meeting. A vote of the holders of a majority of the common stock present, either in person or by proxy, and entitled to vote, is required to elect the director nominees, to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal year 2019, to approve the advisory (non-binding) resolution regarding the compensation of our named executive officers (“NEOs”) and to approve the frequency of the advisory vote regarding the compensation of our NEOs.

A stockholder entitled to vote may abstain from voting for nominees for director in the election of directors and may abstain from voting on any of the other proposals. Abstentions are counted for purposes of determining a quorum to conduct business. Abstentions will have the effect of a vote “against” a proposal, because an abstention represents a share entitled to vote and is included in the denominator in determining the percentage approved. The inspectors of election will treat broker non-votes, which are shares held by brokers or nominees for which the broker or nominee has no discretionary power to vote on a particular matter and for which they have received no instructions from the beneficial owners or persons entitled to vote, as shares that are present for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matters as to which the broker has indicated on the proxy that it does not have discretionary authority to vote, including the election of directors, those shares will be treated as not entitled to vote with respect to that matter (even though those shares may be entitled to vote on other matters).

STOCKHOLDER PROPOSALS

If you are a stockholder who wishes to present a proposal for inclusion in the proxy statement and form of proxy for consideration at our 2020 Annual Meeting of Stockholders, you must submit your proposals to the attention of our Corporate Secretary at our executive office at 455 E. Pikes Peak Ave., Suite 210, Colorado Springs, Colorado 80903, so that the proposal is received by us no later than January 2, 2020. In order for a stockholder proposal to be properly considered at the 2020 Annual Meeting, our Corporate Secretary must have received notice of the proposal no sooner than December 10, 2019 and no later than February 8, 2020, in accordance with our amended and restated bylaws. Proposals received by us before December 10, 2019 or after February 8, 2020 will be deemed untimely and will not be considered at the 2020 Annual Meeting.

STOCKHOLDER COMMUNICATIONS AND DIRECTOR NOMINATIONS

Stockholders or other interested parties may communicate with our Board, any individual director, or members of any Board committee. Stockholders should send any communications to investor@cnty.com, and identify the intended recipient or recipients. All communications addressed to the Board or any identified director or directors will be forwarded to the identified person or persons.

In order to nominate candidates for election to our Board, nominations must be timely received from a stockholder at our executive office at 455 E. Pikes Peak Ave., Suite 210, Colorado Springs, Colorado 80903, as described above under “Stockholder Proposals”, and must set forth the name, age, business address and residence address of each nominee, the nominees’ principal occupation or employment, the number of shares of our common stock owned by each nominee, and any other information regarding each nominee required to be disclosed by our amended and restated bylaws or by applicable laws. The nomination must also state the name and address of the stockholder making such nominations and the number of shares of common stock owned by such person.

HOUSEHOLDING

To reduce the expense of delivering duplicate proxy solicitation materials, we and some brokers may take advantage of the “householding” rules of the Securities and Exchange Commission (“SEC”). These householding rules permit the delivery of only one set of proxy solicitation materials to stockholders who share the same address, unless otherwise requested. Any stockholder of record who shares an address with another stockholder of record and who has received only one set of proxy solicitation materials may receive a separate copy of those materials, without charge, or request future delivery of separate materials upon writing our Corporate Secretary at 455 E. Pikes Peak Ave., Suite 210, Colorado Springs, Colorado 80903 or calling (719) 527-8300. Likewise, any stockholder of record who shares an address with another stockholder of record and who has received multiple sets of proxy solicitation materials may request future delivery of a single copy of those materials upon writing our Corporate Secretary at 455 E. Pikes Peak Ave., Suite 210, Colorado Springs, Colorado 80903 or calling (719) 527-8300.

If you consent to householding, your election will remain in effect until you revoke it. Should you later revoke your consent, you will be sent separate copies of those documents that are mailed at least thirty days or more after receipt of your revocation.

CERTAIN INFORMATION REGARDING THE BOARD

The following table presents the current members of the Board, the committees on which they serve, and whether they are independent under Nasdaq Stock Market (“Nasdaq”) listing standards and SEC rules.

The Board held four meetings during 2018. During 2018, each director attended at least 75% of the meetings of the Board held during the period for which he or she has been a director and of each committee held during the period that he or she has served as a member. A majority of our directors are independent directors, as required by the Nasdaq listing standards. Our Board determines whether a director is independent through a broad consideration of facts and circumstances, including an assessment of the materiality of any relationship between us and a director not merely from the director’s standpoint, but also from that of persons or organizations with which the director has an affiliation. In making this determination, the Board adheres to the independence criteria defined by the Nasdaq listing standards and applicable SEC rules.

Our policy regarding attendance by members of the Board at our Annual Meeting of Stockholders is to encourage directors to attend, either in person or by teleconference, subject to their availability during that time. Mr. Hoetzinger and Dr. Corbaci attended the 2018 Annual Meeting.

 - Perform any other activities consistent with the Governance and Nominating Committee charter, our bylaws and applicable laws, rules and regulations that the Governance and Nominating Committee or the Board deem appropriate.
-

The Governance and Nominating Committee operates pursuant to a written charter that was adopted by the Board, a current copy of which can be found at www.cnty.com/corporate/corporate-governance/corporate-governance/.

The Governance and Nominating Committee will consider director nominees recommended by stockholders under the same procedure used for considering director nominees recommended by management or other directors. See the "Stockholder Communications and Director Nominations" section of this proxy statement for procedures to be followed by stockholders to submit recommendations.

In fulfilling its responsibilities, the Governance and Nominating Committee may engage external consultants. No external consultants were used during 2018. We believe that our current Board members collectively possess diverse knowledge and experience in the disciplines that impact our business. Prior to nominating a new director candidate, our Governance and Nominating Committee considers the collective experience of the existing Board members. Based on this evaluation, the Governance and Nominating Committee nominates individuals who it believes can either strengthen the Board's sophistication and experience or further diversify the collective experience represented. Although the Board does not currently have a policy directly addressing director diversity, the Governance and Nominating Committee, guided by the Governance and Nominating Committee's charter, generally assesses the diversity of the Board and the effectiveness of its diversity considerations prior to nominating any additional candidates for director. During 2018, the Governance and Nominating Committee held one meeting.

DIRECTOR SELECTION PROCESS

The general criteria that the Governance and Nominating Committee uses to select nominees are:

- Such individual's reputation for integrity, honesty and adherence to high ethical standards;
- Demonstrated business acumen, particularly in the casino industry;
- Experience and ability to exercise sound judgments in matters that relate to our current and long-term objectives;
- Willingness and ability to contribute positively to our decision making process;
- Commitment to understanding us and our industry and to regularly attend and participate in meetings of the Board and its committees;
- Interest and ability to understand the sometimes conflicting interests of our various constituencies, which include stockholders, employees, customers, governmental units, creditors, and the general public;
- Ability to act in the interest of all stakeholders;
- Shall not have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all of our stockholders and to fulfill the responsibilities of a director; and
- Understanding of the complexity of diverse international business structures.

The Governance and Nominating Committee reviewed the qualifications of Dr. Corbaci and Mr. Berger, whose terms expire at the 2019 Annual Meeting, and has recommended to the Board that Dr. Corbaci and Mr. Berger be re-elected to the Board for a three-year term expiring at the 2022 Annual Meeting.

BOARD LEADERSHIP STRUCTURE

The Board does not have a policy regarding the separation of the roles of Co-Chief Executive Officer and Chairman of the Board, as the Board believes it is in our best interests to make that determination based on our particular position and direction and the membership of the Board. The Board has determined that having our Co-Chief Executive Officer Dr. Haitzmann serve as Chairman is in the best interest of our stockholders at this time. This structure makes the best use of the Co-Chief Executive Officer's extensive knowledge of us and our industry, as well as fostering greater communication between our management and the Board. The combined role of Chairman and Co-Chief Executive Officer is balanced by our governance structure, policies and controls. Three of the five members of our Board of Directors satisfy the requirements of independence promulgated by the SEC and Nasdaq, and the Audit, Compensation, and Governance and Nominating Committees are composed entirely of independent members of the Board. This structure encourages independent and effective oversight of our operations and prudent management of risk.

The Board has not appointed a "lead independent director" due to the small size of the Board and because three of the five directors are independent. The Board therefore does not believe that a lead independent director would add significant value at this time.

RISK OVERSIGHT

Our Board of Directors administers its risk oversight function directly and through its committees. The Board has oversight responsibility for all risks and has various programs to oversee financial and business risks including (i) reviewing and discussing with management the quarterly and annual SEC filings, (ii) reviewing and discussing with management our business strategies and the related business plan, (iii) monitoring quarterly results, and (iv) reviewing and discussing with management results of our enterprise risk management program.

Companies face a variety of risks, including credit risk, liquidity risk, and operational risk. The Board believes an effective risk management system will (i) timely identify the material risks that we face, (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (iii) implement appropriate and responsive risk management strategies consistent with our risk profile, and (iv) integrate risk management into our decision-making.

The Board has designated the Audit Committee to take the lead in overseeing risk management. The Audit Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the Audit Committee's own analysis and conclusions regarding the adequacy of our risk management processes.

The Compensation Committee administers compensation risk oversight through its oversight of compensation practices and the Compensation Committee’s assessment of the potential impact of those practices on risk-taking. The Compensation Committee believes that our compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on us.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works with the input of our executive officers to assess and analyze the most likely areas of future risk for us.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2018, the members of the Compensation Committee were Mr. Gottfried Schellmann and Dr. Dinah Corbaci. Neither of these individuals are current or former officers of the Company or any of our subsidiaries. During 2018, none of our executive officers served as a director or member of a compensation committee (or other committee serving an equivalent function) of any other entity whose executive officers served as a director or member of our Compensation Committee.

DIRECTOR COMPENSATION

Directors who are neither our employees nor employees of any of our subsidiaries earn \$2,000 for each meeting attended and for each gaming application completed. Directors are reimbursed for expenses reasonably incurred in connection with their service on the Board.

For 2018, Mr. Schellmann received an additional \$10,000 for his work as Chairman of the Audit Committee. For 2018, Dr. Corbaci received an additional \$3,000 for her work as a member of the Audit, Compensation and Governance and Nominating Committees and Mr. Berger received an additional \$3,000 for his work as a member of the Audit and Governance and Nominating Committees.

During 2018, we did not grant any equity awards to our non-employee independent directors.

2018 DIRECTOR COMPENSATION TABLE

The following table sets forth the compensation of our non-employee directors for 2018:

NAME	FEES EARNED OR PAID IN		OPTION AWARDS	TOTAL
	CASH			
Gottfried Schellmann	\$ 34,000	\$ —	\$ —	\$ 34,000
Dinah Corbaci	27,000	—	—	27,000
Eduard Berger	15,000	—	—	15,000

As of December 31, 2018, Dr. Corbaci held options to purchase 31,700 shares of our common stock.

PROPOSALS REQUIRING YOUR VOTE

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Our Board is divided into three classes of directors as nearly equal in number as possible. Each director who is elected at an Annual Meeting will be elected for a three-year term expiring at the third Annual Meeting of Stockholders after such director's election. Accordingly, directors of one class only are elected at each year's Annual Meeting of Stockholders. All nominees, if elected, will serve until the expiration of their respective three-year terms or until their successors are duly elected and qualified. Our Board consists of five directors in three classes as follows: (i) two Class I directors, Dr. Dinah Corbaci and Mr. Eduard Berger, whose terms will expire at the 2019 Annual Meeting; (ii) one Class II director, Mr. Peter Hoetzing, whose term will expire at the 2020 Annual Meeting; and (iii) two Class III directors, Dr. Erwin Haitzmann and Mr. Gottfried Schellmann, whose terms will expire at the 2021 Annual Meeting.

Based on the recommendations of our Governance and Nominating Committee, the Board has nominated Dr. Dinah Corbaci and Mr. Eduard Berger for election as Class I directors to serve for a three-year term expiring at the 2022 Annual Meeting of Stockholders.

Dr. Dinah Corbaci is presently a member of the Board of Directors, having served continuously as a director since April 2000. Mr. Eduard Berger is presently a member of the Board of Directors, having been appointed to the Board in February 2018. Dr. Corbaci and Mr. Berger have indicated a willingness to serve; however, in the event a nominee becomes unable to serve as a director, all proxies will be voted in accordance with the best judgment of the persons acting under such proxies.

Further information regarding Dr. Corbaci and Mr. Berger, the nominees for Class I directors, is set forth below under "Information Regarding Executive Officers and Directors."

Vote Required

The affirmative vote of a majority of our common stock present, either in person or by proxy, and entitled to vote is required to elect each director. Abstentions effectively count as a vote against a nominee. Broker non-votes will have no effect on the outcome of the proposal. Proxies cannot be voted for a greater number of directors than the number nominated.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE ABOVE NOMINEES AS CLASS I DIRECTORS.

PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed Deloitte & Touche LLP as the independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2019. In September 2013, we engaged Deloitte & Touche LLP as our independent registered public accounting firm. The services provided to us by Deloitte & Touche LLP during 2018 and 2017 are described under “Principal Accounting Fees and Services” below. Although ratification is not required by law, the Board has determined that it is desirable to seek stockholder ratification of this appointment in light of the critical role played by the independent registered public accounting firm in auditing our financial statements. Notwithstanding the selection or ratification of Deloitte & Touche LLP, the Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of us and our stockholders. If the appointment is not ratified by our stockholders, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. A representative of Deloitte & Touche LLP is expected to be present at the Annual Meeting, either in person or via telephone, to respond to appropriate questions and will have an opportunity to make a statement if the representative desires to do so.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table sets forth the aggregate fees billed to us by Deloitte & Touche LLP:

	2018		2017	
Audit Fees (A)	\$	1,163,263	\$	1,035,015
Audit-Related Fees (B)		—		225,000

PROPOSAL NO. 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires that we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement. See “Compensation Discussion and Analysis” and “Executive Compensation” below.

In order to better align the long-term interests of our executives with our stockholders and to attract and retain highly qualified executives, our compensation programs have been designed to provide competitive levels of compensation that integrate pay with our performance, with an emphasis on recognizing individual initiative and achievements and recognizing the complexity of our international operations. We base our compensation primarily on experience, expertise and performance, with a portion of potential compensation dependent upon our successful long-term performance and position in the international gaming industry.

Following significant outreach efforts by our Co-CEOs to our major stockholders in 2015, the Compensation Committee made a number of changes to our compensation programs and policies during 2015 and 2016. It engaged an independent advisor to assist us with our overall executive compensation design, executive compensation benchmarking and analytics, and annual and long-term incentive plans. The Compensation Committee recommended, and the Board of Directors approved, a new Stock Ownership Policy, Hedging and Pledging Policy and Clawback Policy. In 2016, the Compensation Committee also adopted a comprehensive Compensation Policy, which is described below under “Compensation Discussion and Analysis—Compensation Policy.”

During 2016, with the assistance of its independent advisor, the Compensation Committee developed and approved a new annual incentive plan and long-term incentive plan. In the first quarter of 2017, the Compensation Committee began granting cash awards to senior management based on the Company’s achievement of certain performance measures under the annual incentive plan and began making annual performance stock unit (“PSU”) grants to senior management under the long-term incentive plan. Under our long-term incentive plan, a significant portion of the compensation paid to our executive officers is at-risk, performance-based compensation based on pre-determined, measurable performance objectives approved by the Compensation Committee. See “Compensation Discussion and Analysis—Elements of Compensation—Long-term Incentive Compensation” below.

As a result of these efforts, the 2017 compensation of our named executive officers received support from over 93% of the shares present and entitled to vote on the proposal at our 2018 Annual Meeting. We have responded to our stockholders’ input and instituted new performance-based compensation programs over the last several years and we will continue to consider the feedback from our stockholders when determining the compensation of our named executive officers in the future.

This vote is advisory, which means that the vote on executive compensation is not binding on the Company, our Board of Directors or the Compensation Committee of the Board of Directors. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC. To the extent there is a vote against our named executive officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address our stockholders’ concerns.

The affirmative vote of a majority of the shares present or represented and entitled to vote either in person or by proxy is required to approve this Proposal No. 3. Abstentions effectively count as a vote “against” the proposal. Broker non-votes will have no effect on the outcome of the proposal.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosures.”

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL NO. 4 ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Act added Section 14A to the Exchange Act, which requires that we provide our stockholders with the opportunity to vote, on a nonbinding, advisory basis, for their preference as to how frequently to vote on future advisory votes on the compensation of our named executive officers as disclosed in accordance with the compensation disclosure rules of the SEC. Stockholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation once every one, two, or three years. Stockholders also may abstain from casting a vote on this proposal.

The Board of Directors has determined that an advisory vote on executive compensation every year will permit the stockholders of our company to provide direct input on the Company's executive compensation philosophy, policies and practices as disclosed in the proxy statement. We believe that an annual vote would provide us with timely feedback from our stockholders on executive compensation matters, which is consistent with our efforts to engage in a dialogue with our stockholders on executive compensation and corporate governance matters.

This vote is advisory, which means that the vote on the frequency is not binding on the Company, our Board of Directors, or the Compensation Committee of the Board of Directors. The Board of Directors and the Compensation Committee will take into account the outcome of the vote; however, when considering the frequency of future advisory votes on executive compensation, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders. Approval of the advisory proposal requires the affirmative vote of a plurality of the votes cast for one of the voting options of "Every 1 Year", "Every 2 Years", or "Every 3 Years". Abstentions and broker non-votes will have no effect on the outcome of the proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE OPTION OF "EVERY 1 YEAR" AS THE PREFERRED FREQUENCY FOR ADVISORY VOTES ON EXECUTIVE COMPENSATION.

COMPENSATION DISCUSSION AND ANALYSIS

OVERVIEW OF COMPENSATION GOALS AND OBJECTIVES

The Compensation Committee is responsible for reviewing and setting the compensation of our named executive officers:

NAME	TITLE
Erwin Haitzmann	Chairman of the Board and Co-Chief Executive Officer
Peter Hoetzing	Vice Chairman of the Board, Co-Chief Executive Officer and President
Margaret Stapleton	Executive Vice President, Principal Financial/Accounting Officer and Corporate Secretary
Andreas Terler	Managing Director of CRM, Vice President of Operations (Canada) and Chief Information Officer
Nikolaus Strohmriegel	Managing Director of CRM and Vice President of Operations (Poland, UK)

In order to better align the long-term interests of our executives with our stockholders and to attract and retain highly qualified executives, our compensation programs have been designed to provide competitive levels of compensation that integrate pay with our performance, with an emphasis on recognizing individual initiative and achievements.

We base our compensation primarily on our named executive officers' experience, expertise and performance, with a portion of potential compensation dependent upon our successful long-term performance and position in the international gaming industry. The Compensation Committee believes that the compensation program for our named executive officers is designed to reward long-term performance. The Compensation Committee also believes that our compensation program motivates our named executive officers to deliver financial results that meet or exceed our expectations, seek and develop new gaming opportunities, and effectively manage our widespread international operations.

COMPANY BUSINESS DEVELOPMENTS

2018 PERFORMANCE AND RESULTS

During 2018, we made progress on our business strategy of developing new international gaming opportunities, including opening Century Casino Bath in Bath, England and continuing construction on Century Mile Racetrack and Casino in Edmonton, Alberta, Canada, which we opened on April 1, 2019. Our named executive officers, along with many of our other employees, have worked diligently to develop these business opportunities, which we believe have the potential to contribute significantly to the success of our Company.

Our 2018 financial results were as follows:

- Net operating revenue for the year ended December 31, 2018 was \$168.9 million, a 10% increase compared to the year ended December 31, 2017
- Earnings from operations for the year ended December 31, 2018 were \$9.5 million, a 35% decrease compared to the year ended December 31, 2017
- Net earnings attributable to Century Casinos, Inc. shareholders for the year ended December 31, 2018 were \$3.4 million, a 46% decrease compared to the year ended December 31, 2017
- Adjusted EBITDA* for the year ended December 31, 2018 was \$23.4 million, a 10% decrease compared to the year ended December 31, 2017
- Earnings per share for the year ended December 31, 2018 were \$0.12 compared to \$0.25 for the year ended December 31, 2017
- The closing price of our common stock was \$7.39 on December 31, 2018, a 2% decrease compared to the closing price at December 29, 2017

*Adjusted EBITDA is a non-GAAP financial measure. For a discussion and reconciliation of Adjusted EBITDA to the most directly comparable measure under United States generally accepted accounting principles ("GAAP"), see Item 6. "Selected Financial Data – Non-GAAP Measures – Adjusted EBITDA" in our Annual Report on Form 10-K for the year ended December 31, 2018.

Net operating revenue increased in 2018 compared to 2017 primarily due to increased revenue at our casinos in Poland and at Century Downs Racetrack and Casino. Earnings from operations decreased in 2018 compared to 2017 due to additional expenses for continued payroll and operating expenses at several casinos in Poland that temporarily closed during 2018 due to license expirations, as well as increased expenses at Century Downs Racetrack and Casino resulting from introducing thoroughbred racing. Net earnings and earnings per share for 2018 were negatively impacted by the additional operating expenses in Poland without corresponding net operating revenue.

RECENT DEVELOPMENTS IN OUR COMPENSATION PROGRAM

ANNUAL AND LONG-TERM INCENTIVE PLANS

During 2016, following significant outreach by us to our major stockholders regarding any concerns they may have about our executive compensation programs and policies, the Compensation Committee revised the design of our executive compensation program to, among other things, increase the amount and type of performance-based compensation granted to our executive officers. In 2016, with the assistance of an independent advisor hired by the Compensation Committee, the Compensation Committee developed (i) an annual incentive plan, which provides for cash awards to senior management based on the Company's achievement of certain performance measures, and (ii) a long-term incentive plan for senior management, which provides for the annual grant of PSUs to senior management.

In April 2018, the Compensation Committee granted performance-based cash bonus awards to our senior management under the annual incentive plan. The awards are paid out based on our achievement of specified performance measures, which consisted of net operating revenue in 2018, over a one-year performance period. The awards are paid during the first quarter following the end of the performance period. The annual incentive plan awards replace the annual discretionary bonuses that the Compensation Committee historically granted to senior management. In April 2018, under the long-term incentive plan, the Compensation Committee approved a grant of PSUs (the "2018 PSUs") to our senior management. The 2018 PSUs vest based on our achievement of specified performance measures over a three-year performance period. For more information on our annual and long-term incentive plans, see "Elements of Compensation" below.

COMPENSATION POLICY

Our Compensation Policy provides for (i) an annual incentive plan that rewards executives for the achievement of near-term corporate objectives and individual employee performance and provides a potential significant cash incentive-based award and (ii) a long-term incentive plan that is an equity award program that rewards executives based on their achievement of long-term corporate financial objectives and increases in total stockholder return. The Compensation Policy sets forth the following objectives in establishing compensation for the Company's executives:

- Aligning executive compensation with the Company's corporate strategies, business objectives and the long-term interests of its stockholders;
- Incentivizing executives to achieve key strategic, financial and operational performance measures by linking the annual incentive plan awards and long-term incentive plan awards to the achievement of performance goals in these areas;
- Reinforcing executives' incentive to increase the Company's stock price and maximize long-term, sustainable stockholder value, and promoting their retention, by providing a significant amount of total compensation opportunities in the form of equity;
- Successfully implementing the Company's performance-based compensation philosophy;
- Attracting and retaining individuals of superior ability and managerial talent; and
- Encouraging employee retention through participation in the annual incentive plan and the long-term incentive plan.

In the Compensation Policy, the Compensation Committee adopted the following compensation "best practices," which are designed to discourage unnecessary or excessive risk-taking behavior by the Company's employees:

- *Pay for performance.* Executive performance-based compensation and payments awarded under the annual incentive plan and the long-term incentive plan are based on pre-determined, measurable performance objectives approved by the Compensation Committee.
- *Mix of incentives.* A balance of short-term and long-term incentives is created through a mix of variable cash compensation awards and long-term equity awards.
- *Equity-based pay.* A significant portion of the executives' compensation is in the form of equity awards that emphasize long-term value creation.
- *At-risk pay.* A significant portion of the executives' compensation is "performance-based" or "at-risk."
- *Significant vesting periods.* Awards granted to executives under the long-term incentive plan will generally vest following the completion of a three-year performance period. Stock options granted to executives generally vest over a four-year period.
- *Compliance with additional compensation policies.* Executives are required to comply with the Company's Stock Ownership Policy, Hedging and Pledging Policy and Clawback Policy, which are described in more detail below.

At our 2016 annual meeting, our stockholders approved our 2016 Equity Incentive Plan (the "2016 Plan"), which authorizes the issuance of 3,500,000 shares of our common stock. Awards under the 2016 Plan may be granted in the form of stock options, stock appreciation rights, restricted stock, stock units and other stock-based awards. Awards under the 2016 Plan may be granted to our employees, consultants, advisors and non-employee directors. The 2016 Plan also includes a number of features that we believe are consistent with the interests of our stockholders and sound corporate governance practices, including:

- No repricing of underwater options or stock appreciation rights without stockholder approval.
- No discounted option or SAR grants.
- Minimum vesting period for all awards.
- No liberal share recycling or reload provisions.
- No liberal definition of "change in control."
- No automatic accelerated vesting of equity awards upon a change in control.
- Limit on non-employee director awards.

COMPENSATION PROGRAM DESIGN

The executive compensation program is designed with our executive compensation objectives in mind and is comprised of fixed and variable pay plans, cash and non-cash plans, and short and long-term payment structures in order to recognize and reward executives for their contributions to us today and in the future.

Our current short-term executive compensation structure consists of base salary and annual incentive compensation in the form of performance-based cash bonuses. Our long-term executive compensation currently consists of PSU awards and, prior to 2017, consisted of stock option awards. The Compensation Committee believes that granting PSU awards, which generally vest following the completion of a three-year performance period, and stock option awards, which generally vest over a four-year period, to our named executive officers promotes retention and motivates our named executive officers to achieve our long-term business objectives because the ultimate value of their equity awards is strongly related to their long-term contributions to our Company.

We continually assess and evaluate the internal and external competitiveness of all components of the executive compensation program. Internally, we look at critical and key positions that are directly linked to our profitability and viability. We seek to ensure that the appropriate hierarchy of jobs is in place with appropriate ratios of Chief Executive Officer compensation to other senior executive compensation. Due to the highly competitive nature of the gaming industry, it is important for our compensation plans to provide us with the ability to recruit, retain and internally develop top executive talent.

CONSIDERATION OF SAY-ON-PAY RESULTS AND STOCKHOLDER OUTREACH

At our Annual Meeting of Stockholders held on June 11, 2018, we conducted our annual advisory vote on the 2017 compensation program for our named executive officers (“Say-on-Pay”). The 2017 compensation of our named executive officers received support from over 93% of the shares present and entitled to vote on the Say-on-Pay proposal. The Compensation Committee was pleased that we continued to receive significant stockholder support for our 2017 compensation program compared to our 2015 and 2014 compensation programs, which we believe was a result of our significant stockholder outreach efforts and recent improvements made to our compensation policies. In response to the feedback we received from our stockholder outreach, during 2016, the Compensation Committee focused on aligning executive compensation more closely with our performance and the long-term interests of the Company’s stockholders. As a result, in 2016, the Compensation Committee adopted a performance-based annual incentive plan and a long-term incentive plan to grant PSUs to our senior management based on quantifiable performance metrics established in advance by the Compensation Committee. We will continue to consider the outcome of our Say-on-Pay vote results when determining the compensation of our named executive officers in the future.

ROLES IN ESTABLISHING COMPENSATION

When determining the compensation of our named executive officers, the Compensation Committee conducts its own analysis, and solicits advice from internal company resources, which may include, but are not limited to, our Co-Chief Executive Officers and Executive Vice President and Corporate Secretary. The Compensation Committee may also receive recommendations from an independent advisor that it retains, as was the case in 2016.

Our Co-Chief Executive Officers annually review the performance of our named executive officers and, based on these reviews, recommend to the Compensation Committee compensation for all named executive officers. The Compensation Committee reviews the recommendations and makes the final decisions regarding compensation paid to our senior executives, including base pay, annual incentive bonuses and equity awards.

USE OF PEER GROUP AND OTHER MARKET DATA

The Compensation Committee has established a peer group of publicly-traded companies in the gaming, hospitality and restaurant industry (the "Peer Group") based on data and recommendations provided by its independent advisor.

In April 2018, the Compensation Committee used the Peer Group market data compiled by its independent advisor to assess the competitiveness of NEO compensation for base salary, annual and long-term incentives, and target total direct compensation. The Compensation Committee targeted the aggregate value of our total compensation for our NEOs to be competitive with the Peer Group market data.

Historically, due to the highly specialized nature of our business, the Compensation Committee has relied on internal resources and limited the external resources considered when establishing compensation to market data from the gaming industry. The Compensation Committee currently intends to consider market data from the gaming industry as well as Peer Group data when determining NEO compensation in the future.

ELEMENTS OF COMPENSATION

BASE SALARY

The Compensation Committee sets base salaries for our named executive officers based on a variety of factors, including:

- the nature and responsibility of the position;
- the experience and contribution of the named executive officer;
- the named executive officer's performance, including whether individual objectives were met or exceeded during a particular period;
- additional duties or responsibilities of the named executive officer or organizational changes in our Company;
- the complexity of our international operations and transactions;
- the amount of international travel by the named executive officer; and
- retention.

The annual base salaries for our NEOs are presented in the table below.

	2017 BASE SALARY	2018 BASE SALARY
Erwin Haitzmann (A)(E)	\$ 608,510	\$ 619,880
Peter Hoetzing (B)(E)	609,107	618,967
Margaret Stapleton	140,000	140,000
Andreas Terler (C)(E)	124,929	128,388
Nikolaus Strohriegel (D)(E)	124,626	128,166

- (A) Dr. Haitzmann's annual base salary consists of (i) €220,000, which was \$259,880 in 2018 (based on monthly average exchange rates in effect during 2018) and \$248,510 in 2017 (based on monthly average exchange rates in effect during 2017), and (ii) an annual management fee of \$360,000 paid on a monthly basis to Flyfish. The difference in the amounts of base salary in 2017 and 2018 is solely due to exchange rate fluctuations.
- (B) Mr. Hoetzing's annual base salary consists of (i) €220,000, which was \$258,967 in 2018 (based on monthly average exchange rates in effect during 2018) and \$249,107 in 2017 (based on monthly average exchange rates in effect during 2017), and (ii) an annual management fee of \$360,000 paid on a monthly basis to Focus. The difference in the amounts of base salary in 2017 and 2018 is solely due to exchange rate fluctuations.
- (C) Mr. Terler's annual base salary for 2017 and 2018 was €110,000, which was \$128,388 in 2018 (based on monthly average exchange rates in effect during 2018) and \$124,929 in 2017 (based on monthly average exchange rates in effect during 2017). The difference in the amounts of base salary in 2017 and 2018 is solely due to exchange rate fluctuations.
- (D) Mr. Strohriegel's annual base salary for 2017 and 2018 was €110,000, which was \$128,166 in 2018 (based on monthly average exchange rates in effect during 2018) and \$124,626 in 2017 (based on monthly average exchange rates in effect during 2017). The difference in the amounts of base salary in 2017 and 2018 is solely due to exchange rate fluctuations.
- (E) Differences in the U.S. dollar equivalent of the salaries of Dr. Haitzmann and Mr. Hoetzing are due to the timing of payments throughout the year. Differences in the U.S. dollar equivalent of the salaries of Mr. Terler and Mr. Strohriegel are due to the timing of the payments that are paid through our Polish subsidiary Casinos Poland Sp. z o.o in euros.

The base salary of each of the Co-Chief Executive Officers has not been increased since 2013. In November 2013, the Compensation Committee increased the base salary of each of the Co-Chief Executive Officers from €70,000 to €220,000 in recognition of their performance and additional responsibilities as a result of our expanded international operations and to closer align their base salaries with the base salaries of comparable companies in the gaming industry. In connection with the salary increases in 2013, each Co-Chief Executive Officer is required to use 25% of the after-tax amount of the salary increase to purchase our common stock.

The Compensation Committee did not adjust the salaries of any named executive officers during 2017 or 2018. In the future, the Compensation Committee plans to evaluate the salaries of the named executive officers when it is considering their total target compensation, including salary, annual bonuses and equity awards, which may be in the form of PSUs or stock options. The Compensation Committee believes that the base salaries of the named executive officers are fair and competitive with those of executive officers at comparable companies in the gaming industry as well as at the Peer Group companies.

ANNUAL INCENTIVE COMPENSATION

The Compensation Committee considers salaries and bonuses and, in the case of our Co-Chief Executive Officers, the management agreements, in determining the competitiveness of the total compensation package. At the end of each fiscal year, the Compensation Committee determines whether NEOs will receive performance-based cash incentive compensation based on whether certain performance measures, which are established early in the applicable fiscal year, are achieved.

The annual incentive award for 2018 was based on the achievement of net operating revenue over a one-year performance period beginning on January 1, 2018. The amount of cash earned by award recipients following the end of the performance period could range from 0% to 200% of the target amount. If performance is between the threshold and target levels, or between the target and maximum levels, then the payout as a percentage of the target is determined by linear interpolation. Threshold (50%), target (100%) and maximum (200%) payout opportunities established for the 2018 annual incentive plan awards for each NEO are set forth in the table below.

NEO	THRESHOLD		TARGET		MAXIMUM
Erwin Haitzmann	\$	112,500	\$	225,000	\$ 450,000
Peter Hoetzing		112,500		225,000	450,000
Margaret Stapleton		33,750		67,500	135,000
Andreas Terler		33,750		67,500	135,000
Nikolaus Strohrriegel		33,750		67,500	135,000

In early 2018, the Compensation Committee established a target net operating revenue for the 2018 fiscal year of \$185.0 million based on management budgets and forecasts. Following the 2018 fiscal year, the Compensation Committee took into account that certain events out of management's control occurred during 2018, including the closing of several casinos in Poland due to licensing delays and the closing of several ship-based casinos prior to their scheduled termination. The Compensation Committee decided to exclude the forecasted net operating revenue from those operations from the performance measure calculation by lowering the net operating revenue threshold, target and maximum levels for the year ended December 31, 2018 to \$153.6 million, \$170.7 million and \$187.8 million, respectively. In addition, the Compensation Committee determined that, for the 2018 annual incentive plan and future annual incentive plans, performance measures would be calculated based on local currencies. Our net operating revenue for the year ended December 31, 2018 on a local currency basis was \$166.0 million, which was between the threshold and target levels and resulted in an annual incentive payout of 86.3% of the target amount. As a result, the Compensation Committee determined that the NEOs earned the following cash bonuses under the annual incentive plan for 2018:

NEO	2018 ACTUAL BONUS	
Erwin Haitzmann	\$	194,079
Peter Hoetzing		194,079
Margaret Stapleton		58,224
Andreas Terler		58,224
Nikolaus Strohrriegel		58,224

LONG-TERM INCENTIVE COMPENSATION

During 2016, the Compensation Committee revised the design of our executive compensation program by developing a long-term incentive plan for senior management, pursuant to which we grant PSUs to senior management annually. Under the long-term incentive plan, executive officers receive at-risk, performance-based compensation and payments based on pre-determined, measurable performance objectives approved by the Compensation Committee.

Performance Stock Units

In April 2018, under the long-term incentive plan, the Compensation Committee approved the grant of 2018 PSUs to our senior management. Each 2018 PSU that vests represents the right to receive one share of our common stock. The 2018 PSUs vest based on our achievement of specified performance measures, consisting of relative total stockholder return and Adjusted EBITDA, over a three-year performance period, beginning January 1, 2018. Relative total stockholder return is calculated as the difference, whether positive or negative, between our total stockholder return minus the total stockholder return of the S-Network Global Gaming Index. Adjusted EBITDA is calculated as net earnings (loss) attributable to Century Casinos, Inc. shareholders adjusted to exclude the impact of interest expense (income), income taxes (benefit), depreciation, amortization, non-controlling interest (earnings) losses and transactions, pre-opening expenses, acquisition costs, non-cash stock-based compensation charges, asset impairment costs, (gain) loss on disposition of fixed assets, results of discontinued operations, (gain) loss on foreign currency transactions and other, gain on business combination and certain other one-time items. The relative total stockholder return performance measure constitutes 25% of the PSU award, and the Adjusted EBITDA performance measure constitutes 75% of the PSU award. The relative total stockholder return and Adjusted EBITDA performance measures are calculated independently. Threshold, target and maximum payout opportunities established for the 2018 PSUs will be used to calculate the number of shares that will be issuable when the award vests, which may range from 0% to 200% of the target amount. In order to earn any PSUs at the end of the performance period, the threshold level of either of the relative total stockholder return or the Adjusted EBITDA performance measures, but not both, must be achieved. Any 2018 PSUs that are earned are scheduled to vest and be settled in shares of the Company's common stock following the end of the performance period. The Compensation Committee plans to grant PSU awards, which may contain different performance measures and other terms, to senior management on an annual basis.

The Compensation Committee granted the following target number of 2018 PSUs to the named executive officers on April 23, 2018:

NEO	TARGET NUMBER OF 2018 PSUs	GRANT DATE FAIR VALUE OF TARGET PSUs
Erwin Haitzmann	42,301	\$ 506,344
Peter Hoetzing	42,301	506,344
Margaret Stapleton	12,690	151,896
Andreas Terler	12,690	151,896
Nikolaus Strohmriegel	12,690	151,896

PERSONAL BENEFITS AND PERQUISITES

Our use of perquisites as an element of compensation is limited. The Compensation Committee does not view perquisites as a significant element of our compensation structure, but does believe that they can be used in conjunction with base salary to attract, motivate and retain individuals in a competitive environment. Besides certain life insurance contributions and change of control protections, we generally provide broad-based perquisites to our executives and other employees. Executives and all other employees are eligible to participate in various benefit programs such as medical, dental and vision insurance, life insurance, both short and long-term disability, and employer contributions to the Century Casinos, Inc. 401(k) Savings and Retirement Plan. Relocation benefits are available and are negotiated on an individual basis when an employee is hired.

In addition to our group benefits, Dr. Haitzmann and Mr. Hoetzingler are also entitled to:

- A Company-paid life insurance policy. Dr. Haitzmann's policy provided a maximum life insurance benefit of €349,975 payable in either a single lump sum or as an annuity. The insurance company paid the life insurance benefit of €349,975 (approximately \$406,541 based on the exchange rate in effect on September 1, 2018) and profit sharing of €16,580 (approximately \$19,260 based on the exchange rate in effect on September 1, 2018) to Dr. Haitzmann in a single lump sum in September 2018 upon the expiration of his insurance policy. As of September 1, 2018, the Company has no further obligation to pay any life insurance premiums for Mr. Haitzmann. Mr. Hoetzingler's policy provides a maximum life insurance benefit of €418,032 (approximately \$478,429 based on the exchange rate in effect on December 31, 2018), payable in either a single lump sum or as an annuity;
- Long term disability or death benefits equal to 1/12 of the executive's annual salary in effect at the time of disability or death, paid monthly for a period of 12 months from the date of disability or death; and
- The use of an automobile provided and paid for by us for business and personal purposes; provided, however, that Dr. Haitzmann may choose to receive a monthly car allowance in lieu of our providing him with the use of an automobile.

CHANGE OF CONTROL AND SEVERANCE BENEFITS

Employment Agreements. We have entered into employment agreements with certain of our executive officers, including our Co-Chief Executive Officers, which are described below under "Executive Agreements." These agreements provide for severance compensation to be paid if the executives are terminated under certain conditions, such as a change of control or a termination without cause by us, each as is defined in the agreements.

The change of control provisions and the related severance compensation provisions of the employment agreements with our executive officers and our equity incentive plans are designed to meet the following objectives:

Change of Control. Many larger, established casino companies may consider companies at similar stages of growth as us as potential acquisition targets as a means of adding value to their company. In some scenarios, the potential for merger or acquisition may be in the best interests of our stockholders. In certain cases, we provide severance compensation if an executive is terminated as a result of a corporate transaction in order to maintain the continuity of management during the transaction and in order to promote the ability of our executive officers to act in the best interests of our stockholders even though there is a possibility that they could be terminated as a result of the transaction.

We define a “change of control” in the employment agreements as follows:

- Any unaffiliated person or entity becoming the beneficial owner of a majority of the voting rights of our outstanding securities;
- The triggering of the issuance of stock rights to stockholders pursuant to our stock rights agreement, as amended from time to time;
- The replacement during any two calendar years of half or more of our Board;
- The replacement or rejection of one or more persons nominated to be a director by our Board before any change of control;
- The election of one or more persons to our Board that have not been nominated by our Board prior to any change of control;
- Dr. Haitzmann ceases to serve as our Chairman, except by reason of his death or permanent disability (as stated in Mr. Hoetzingers employment agreement);
- Mr. Hoetzingers ceases to serve as our Vice Chairman, except by reason of his death or permanent disability (as stated in Dr. Haitzmann’s employment agreement); or
- The holders of securities approve a merger, consolidation or liquidation of our Company.

Termination Without Cause By Us. If we terminate the employment of Dr. Haitzmann or Mr. Hoetzingers without cause, we are obligated to continue to pay their base salary and bonus for a specified period of time, as per the executive officer’s employment agreement. We believe this is appropriate because (i) the terminated executive officer is bound by confidentiality and non-compete provisions covering a specified period of time; (ii) we and the executive officer have mutually agreed to a severance package that is in place prior to any termination event, which provides us more flexibility to make a change in senior management if such a change is in the best interests of us and our stockholders; and (iii) the terminated executive receives a fair severance payment that is defined in advance of a termination without cause.

For this scenario, we define “cause” for Dr. Haitzmann and Mr. Hoetzingers as follows:

- The failure of the employee for any reason, within 30 days after receipt by the employee of written notice thereof from us, to correct, cease, or otherwise alter any specific action or omission to act that constitutes a material and willful breach of such employee’s employment agreement that is likely to result in material damage to us; or
- Any willful gross misconduct likely to result in material damage to us.

Termination With Cause By Employee. Dr. Haitzmann’s and Mr. Hoetzingers employment agreements provide severance in the event they terminate their employment with us for cause. This scenario would be treated similarly to a termination without cause by us for the same reasons provided for that situation, as described above.

For this scenario, we define “cause” as follows:

- Our failure for any reason, within 30 days after receipt by us of written notice from the employee, to correct, cease, or otherwise alter any material adverse change in the conditions of such employee’s employment, including, but not limited to any change in his title or position, or the duties of such position, unless the employee consents in writing to such change; or
- A change of control, as defined above, has occurred.

Management Agreements. In addition to the employment agreements that we have with Dr. Haitzmann and Mr. Hoetzinger, we are party to separate management agreements with Flyfish, a Swiss corporation that is beneficially owned by Dr. Haitzmann, and with Focus, a Swiss corporation that is a wholly-owned subsidiary of Mr. Hoetzinger's family foundation.

Termination with Cause by Consultant or without Cause by Us. The management agreements provide for certain payments and benefits to be made to Flyfish and/or Focus should either or both of them terminate the agreement for cause or should either or both of them be terminated by us without cause. These payments and benefits include: (i) a lump sum cash payment of three times the current management fee and three times the average bonus for the prior three years and (ii) an option to continue to serve as a consultant for three years at the then-current management fee, prior year's bonus and current benefits. For the purposes of the determination of these payments and benefits, "cause" means (i) our failure for any reason, within 30 days after receipt of written notice, to correct, cease or otherwise alter any material adverse change in the conditions of engagement, including but not limited to any change in duties or (ii) a change of control has occurred.

A "change of control" under the management agreements is the same as a change of control under the employment agreements, as defined above.

Equity Awards. Our 2016 Plan and our previous equity incentive plans under which we have issued equity awards to our executive officers provide for accelerated vesting of stock awards following a change of control, as defined in such plans, under certain circumstances. Under the PSU award agreements, the PSUs issued to our executive officers under our 2016 Plan provide that, in the case of a termination without Cause, for Good Reason, by death or Disability, or due to a Change in Control (each, as defined in the PSU award agreement), the participant receives a prorated vesting and payout of PSUs equal to the target number of PSUs prorated for the number of days employed during the performance period. In the case of a Change in Control, the PSUs have accelerated vesting if (i) the participant has a termination without Cause or for Good Reason within 12 months after the award is assumed or replaced by the surviving entity, or (ii) the award is not assumed or replaced by the surviving entity.

For more information on our potential payments to named executive officers in connection with a termination or change of control, please see "Executive Compensation – Potential Payments upon Termination or Change of Control" below.

COMPENSATION POLICIES

In 2016, we adopted (i) an overall Compensation Policy, which is described above under "Compensation Policy," and (ii) several additional policies that we believe are important and consistent with governance and compensation policy best practices, which are included in our Compensation Policy and are described below.

Stock Ownership Policy. It is our policy that all of our executive officers should have a significant financial stake in us. To that end, we have adopted stock ownership guidelines applicable to our executive officers. The guidelines are applicable to each of our executive officers and provide that each executive officer is expected to directly or beneficially own shares of our common stock with a value at least equal to the amount shown below:

- Co-CEOs – Three times annual base salary
- All other executive officers – One times annual base salary

The amount of annual base salary includes any management fees paid to a Co-CEO, a family foundation or a company directly or beneficially owned by such Co-CEO or a subsidiary thereof in connection with a management agreement entered into between any of such parties and the Company or any subsidiary of the Company. Shares counted for purposes of the ownership guidelines are fully-vested outstanding shares of which the individual is deemed to be the “beneficial owner” for purposes of Section 16 under the Exchange Act. For each Co-CEO, shares counted for purposes of the ownership guidelines include any shares owned by a family foundation or a company directly or beneficially owned by a Co-CEO or a subsidiary thereof. Shares subject to a compensatory equity-based award of any kind that has not yet vested and shares subject to an option or stock appreciation right that has not yet been exercised will not be counted toward satisfaction of the stock ownership guidelines. Each executive officer has five years from the date he or she becomes subject to the guidelines to achieve compliance with the ownership guidelines.

In addition, effective as of November 2013, each of the Co-Chief Executive Officers received a base salary increase of €150,000. In connection with the salary increase, the Compensation Committee amended the employment agreement of each Co-Chief Executive Officer to require each Co-Chief Executive Officer to use 25% of the after-tax salary increase to purchase our common stock. In August 2014, the Compensation Committee revised the Co-Chief Executive Officers’ stock purchase requirement to provide that each Co-Chief Executive Officer has a three-year time period, starting January 1, 2017, to complete the purchase of additional shares of our common stock using the after-tax amount of €112,500 of such Co-Chief Executive Officer’s salary. Dr. Haitzmann purchased additional shares in November 2018 and Mr. Hoetzingler purchased additional shares in December 2018 pursuant to this requirement.

Hedging and Pledging. We have adopted a policy that provides for restrictions on equity transactions, including prohibitions on hedging transactions and pledging of our stock by our directors, officers and employees.

Clawback Policy. We have adopted a policy for recovery of incentive compensation from our executive officers under certain circumstances. The policy provides that we will, in all appropriate circumstances as determined by the Compensation Committee, and to the extent permitted by applicable law, require reimbursement or forfeiture of all or a portion of any incentive compensation awarded to our executive officers after April 22, 2016, which is the date our Board of Directors adopted the policy, where the Compensation Committee has determined that all of the following factors are present:

- We are required to prepare an accounting restatement due to material noncompliance with any financial reporting requirement under the securities laws;
- The award, vesting or payment of the incentive compensation was predicated upon the achievement of certain financial results that were the subject of the restatement and such award, vesting or payment occurred or was received during the three-year period preceding the date on which we were required to prepare the restatement; and
- A smaller award, vesting or payment would have occurred or been made to the executive officer based upon the restated financial results.

In those circumstances, we will, to the extent deemed appropriate by the Compensation Committee, seek to recover or cancel the amount(s) by which an executive officer’s incentive compensation that was awarded, vested or paid during the three-year period referenced above exceeded the amount(s) that would have been awarded, vested or paid based on the restated financial results, net of taxes paid or payable by the executive officer with respect to the recoverable compensation.

In addition, under the terms of the 2016 Plan and equity award agreements under the 2016 Plan, equity awards may be subject to forfeiture, recovery by us or any other action pursuant to any compensation recovery policy adopted by the Board or the Compensation Committee, including in response to any requirements under the Exchange Act or any other applicable law or stock exchange listing standards.

Other Equity-Related Policies. The 2016 Plan requires that all stock options granted under the plan have an exercise price that is not less than the fair market value of a share of our common stock on the date the grant is made. The 2016 Plan also prohibits re-pricing or exchanging underwater stock options under the 2016 Plan without stockholder approval.

TAX AND OTHER CONSIDERATIONS

In designing our compensation programs, we take into account the various tax and accounting rules associated with different forms of compensation. Section 162(m) of the Internal Revenue Code precludes us from taking a federal income tax deduction for compensation paid in excess of \$1 million to our “covered employee” (which as of 2018 includes the chief executive officer, chief financial officer and our three other most highly compensated executive officers). Prior to 2018, this deduction limitation did not apply to qualified “performance-based” compensation and a company’s chief financial officer was not considered to be a “covered officer.” Consequently, compensation paid in 2018 and later years to our NEOs in excess of \$1 million will not be deductible unless it qualifies for transitional relief applicable to certain binding, written performance-based compensation arrangements that were in place as of November 2, 2017.

Despite these new limits on the deductibility of performance-based compensation, we continue to believe that a significant portion of our executives’ compensation should be tied to our performance and that shareholder interests are best served if the Compensation Committee’s discretion and flexibility in structuring and awarding compensation is not restricted even though some compensation awards may have resulted in the past, and are expected to result in the future, in non-deductible compensation expense to us. Therefore, it is not anticipated that the changes to Section 162(m) will significantly impact the design of our compensation program going forward.

- (A) Dr. Haitzmann and Mr. Hoetzing are paid their base salaries in euros. For Dr. Haitzmann, \$259,880 of his 2018 salary, \$248,510 of his 2017 salary and \$261,361 of his 2016 salary were paid in euros. For Mr. Hoetzing, \$258,967 of his 2018 salary, \$249,107 of his 2017 salary and \$260,157 of his 2016 salary were paid in euros. Amounts paid to Dr. Haitzmann and Mr. Hoetzing pursuant to management agreements as described below in footnotes (H) and (I) of this table are paid in U.S. dollars. The base salaries of Messrs. Terler and Strohrriegel are paid in euros. The amounts paid in euros were converted to U.S. dollars in the table above using the average monthly exchange rate applicable to the months during which such salaries were earned. Such euro rates ranged from 1.14 to 1.23 during 2018, 1.06 to 1.19 during 2017 and 1.05 to 1.13 during 2016.
- (B) The 2016 bonuses for Mr. Terler and Mr. Strohrriegel were paid in U.S. dollars.
- (C) The amounts shown represent the grant date fair value computed in accordance with FASB ASC 718 of the 2018 PSUs and 2017 PSUs granted to the NEOs as part of our long-term incentive compensation plan. The amounts shown represent the values that are based on achievement of 100% of the target performance. Assuming achievement of the maximum 200% of target performance, the value of the 2018 PSUs would be: \$1,012,688 for each of Dr. Haitzmann and Mr. Hoetzing; and \$303,792 for each of Ms. Stapleton, Mr. Terler and Mr. Strohrriegel; and the value of the 2017 PSUs would be: \$809,282 for each of Dr. Haitzmann and Mr. Hoetzing; and \$242,776 for each of Ms. Stapleton, Mr. Terler and Mr. Strohrriegel. Assumptions used in the calculation of the amounts reported in this column are included in Note 10 to the financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2018.
- (D) The amounts shown represent cash payments made to each of our NEOs under our annual incentive plan, which is further described in the “Compensation Discussion and Analysis” in this proxy statement. The amounts disclosed for 2018 represent the actual incentive amounts earned for 2018 that were paid in February 2019.
- (E) The cash payments made to Mr. Terler and Mr. Strohrriegel were paid in U.S. dollars.

(F) The other compensation for Dr. Haitzmann and Mr. Hoetzingler for 2018 includes premiums paid on medical and life insurance policies and the portion of our expense for automobiles provided to our Co-Chief Executive Officers attributable to personal use during 2018. The Company-paid life insurance policy for Dr. Haitzmann expired on September 1, 2018. Dr. Haitzmann has elected to receive a monthly car allowance from us. We estimate that approximately 35% of the annual lease cost for Mr. Hoetzingler’s automobile represents the amount attributable to personal use. Ms. Stapleton’s other compensation for 2018 includes premiums paid on medical insurance. These amounts are broken out as follows:

NAME	MEDICAL INSURANCE		LIFE INSURANCE		AUTOMOBILE		TOTAL
Erwin Haitzmann	\$	19,137	\$	26,879	\$	35,438	\$ 81,454
Peter Hoetzingler		15,472		20,922		36,353	72,747
Margaret Stapleton		10,289		—		—	10,289

- (G) The 2018, 2017 and 2016 amounts in the “All Other Compensation” column for Dr. Haitzmann and Mr. Hoetzingler were converted to U.S. dollars from euros based on the average monthly exchange rates applicable to the months during which such compensation was earned. Such rates ranged from 1.14 to 1.23 during 2018, 1.06 to 1.19 during 2017 and 1.05 to 1.13 during 2016.
- (H) Includes \$259,880, \$248,510 and \$261,361 for 2018, 2017 and 2016, respectively, which have been paid to Dr. Haitzmann under his employment agreement, and \$360,000 for each of 2018, 2017 and 2016, which were paid to Flyfish under a management agreement between Flyfish and our subsidiary. Under this management agreement, we contract certain services from Flyfish to be provided by Dr. Haitzmann and other members of the Flyfish team. Flyfish is a company beneficially owned by Dr. Haitzmann. See “Executive Agreements” below.
- (I) Includes \$258,967, \$249,107 and \$260,157 for 2018, 2017 and 2016, respectively, which have been paid to Mr. Hoetzingler under his employment agreement, and \$360,000 for each of 2018, 2017 and 2016, which were paid to Focus under a management agreement between Focus and our subsidiary. Under this management agreement, we contract certain services from Focus to be provided by Mr. Hoetzingler and other members of the Focus team. Focus is a wholly-owned subsidiary of The Hoetzingler’s Family Foundation (“Hoetzingler Familienprivatstiftung”). See “Executive Agreements” below.
- (J) Represents amounts paid to Flyfish under the management agreement described in footnote (H) above.
- (K) Represents amounts paid to Focus under the management agreement described in footnote (I) above.

- (A) The amounts shown represent the potential value of performance bonus awards under our annual incentive plan for each of our NEOs. For 2018, the Compensation Committee approved an incentive bonus plan tied to our attainment of net operating revenue objectives for which threshold, target and maximum levels were established. Under the terms of the annual incentive plan for 2018, the NEOs received a performance-based payout at 86.3%. The bonus was paid in February 2019. Please also see “Compensation Discussion and Analysis” for more details regarding the annual incentive plan.
- (B) The threshold amount of the 2018 PSUs listed above is calculated in accordance with the PSU award agreement, which provides that a participant may earn PSUs if the threshold level of either of the two performance measures is achieved. The relative total stockholder return performance measure constitutes 25% of the PSU award. If only this performance measure were achieved at the threshold level, the participant would earn the threshold amount of 2018 PSUs set forth in the table above.
- (C) The number of 2018 PSUs that vest and convert to shares of common stock can range from 0% to 200% of the number of 2018 PSUs awarded depending on the Company’s performance during the three-year performance period. The 2018 PSUs vest based on our achievement of specified performance measures, consisting of relative total stockholder return and Adjusted EBITDA. We granted the 2018 PSUs to the NEOs under our 2016 Plan as a grant under our long-term incentive plan. The dollar value of the PSUs shown represents the grant date fair value based on performance at target level computed in accordance with FASB ASC Topic 718. Please also see “Compensation Discussion and Analysis” for more details regarding the 2018 PSUs.

EXECUTIVE AGREEMENTS

Employment Agreements

In October 2001, we entered into separate employment agreements with Dr. Haitzmann and Mr. Hoetzing. The agreements were amended in February 2003 to extend the employment periods to December 31, 2008 and to specify the duties of Dr. Haitzmann and Mr. Hoetzing. The agreements were further amended in February 2005 to assign the employment agreements to our wholly-owned foreign subsidiary, to include changes to the employees' salary and termination clauses, and to extend the employment periods to December 31, 2009 and for five-year renewable periods thereafter, unless sooner terminated by them or us. Effective September 2006, the employment agreements were further amended to provide each executive officer with life insurance. On November 3, 2014, the employment periods were extended to December 31, 2019. On September 30, 2015, Dr. Haitzmann's employment agreement was further amended to assign his employment agreement to another of our wholly-owned subsidiaries and to include changes to carryover benefits in connection with such assignment.

In November 2013, the Compensation Committee approved an €150,000 increase in the annual salary of each of the Co-Chief Executive Officers, effective as of November 2013. In connection with the salary increase, the Compensation Committee amended the employment agreement of each Co-Chief Executive Officer to require each Co-Chief Executive Officer to use 25% of the after-tax salary increase to purchase our common stock. In August 2014, the Compensation Committee revised the Co-Chief Executive Officers' stock purchase requirement to provide that each Co-Chief Executive Officer has a three-year time period, which began on January 1, 2017, to complete the purchase of additional shares of our common stock using the after-tax amount of €112,500 of such Co-Chief Executive Officer's salary. Dr. Haitzmann purchased additional shares in November 2018 and Mr. Hoetzing purchased additional shares in December 2018 pursuant to this requirement.

Under the employment agreements, as compensation for the services rendered by Dr. Haitzmann and Mr. Hoetzing to us, Dr. Haitzmann and Mr. Hoetzing are paid not less than €220,000 (approximately \$251,785 based on the exchange rate in effect on December 31, 2018) in annual base salary, plus annual increases and bonuses, and such other incentives, benefits, insurance policies and compensation as may have been and may be awarded to them from time to time by the Compensation Committee. We provide Dr. Haitzmann and Mr. Hoetzing with, or reimburse them for, all reasonable expenses incurred in connection with the performance of their duties as our executives. Dr. Haitzmann and Mr. Hoetzing are also each entitled to the use of an automobile provided to them and paid for by us for business and personal purposes; provided that Dr. Haitzmann may elect to receive a monthly automobile allowance instead of using an automobile provided by us.

If either or both of Dr. Haitzmann and/or Mr. Hoetzing dies or becomes disabled during the term of his employment, the employment agreements provide for the continuation of salary for 12 months.

The employment agreements provide for certain payments and benefits to be made to Dr. Haitzmann and/or Mr. Hoetzing should either or both of them be terminated without cause or should either or both of them terminate their own employment for cause or in the case of a change of control. These payments and benefits include: (i) continuation of salary and bonuses for three years from the notification of termination, (ii) immediate vesting of all outstanding equity awards, (iii) an option to serve as a consultant for an additional three years at current salary plus previous year's bonus and current benefits, and (iv) being made whole on an after-tax basis with respect to any taxes that might become payable as a result of any action or provision in connection with a change of control. The terms "cause" and "change of control" are as defined in "Compensation Discussion and Analysis – Change of Control and Severance Benefits" above.

Management Agreements

In addition to the employment agreements that we have with Dr. Haitzmann and Mr. Hoetzing, we are party to separate management agreements with Flyfish, which is beneficially owned by Dr. Haitzmann, and with Focus, which is a wholly-owned subsidiary of Mr. Hoetzing's family foundation. Under the management agreement with Flyfish, executive casino management services from Flyfish are provided to us by a team of persons, of which Dr. Haitzmann is a member. Under the management agreement with Focus, executive casino management services from Focus are provided to us by a team of persons, of which Mr. Hoetzing is a member. The management agreements with Flyfish and Focus are effective through December 31, 2021 and for five-year renewable periods thereafter, unless sooner terminated by them or by us. The management agreements provide for an annual base management fee of \$360,000 to each of Flyfish and Focus, plus such annual increases and bonuses, and such other incentives, benefits and compensation as may be awarded to them, respectively, by the Compensation Committee. Payments to each of these management companies are included as salary to the respective executive in the Summary Compensation Table.

The management agreements also provide for certain payments and benefits to be made to Flyfish and/or Focus should either or both of them terminate the agreement for cause or should either or both of them be terminated by us without cause. These payments and benefits include: (i) a lump sum cash payment of three times the current management fee and three times the average bonus for the prior three years and (ii) an option to continue to serve as a consultant for three years at the then-current management fee, prior year's bonus and current benefits. For the purposes of the determination of these payments and benefits, "cause" means (i) our failure for any reason, within 30 days after receipt of written notice, to correct, cease or otherwise alter any material adverse change in the conditions of engagement, including but not limited to any change in duties or (ii) a change of control has occurred.

For the purposes of the prior two paragraphs, a "change of control" is as defined in "Compensation Discussion and Analysis – Change of Control and Severance Benefits" above.

2018 POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

We have entered into employment agreements with and granted equity awards to certain of our named executive officers that require us to make payments and provide various benefits in the event of the executive's termination or a change of control.

The terms of the agreements and the estimated value of the payments and benefits due to the executives pursuant to their agreements under various termination events are detailed below.

Erwin Haitzmann and Peter Hoetzing

Pursuant to Dr. Haitzmann's and Mr. Hoetzing's employment agreements and management agreements, if we terminate these agreements without cause, if either officer terminates these agreements for cause or upon a change in our control, each of them will be entitled to:

- a lump sum cash benefit payment of three times his current annual salary and management fee, plus three times his average bonus for the last three years;
- at his sole option, elect to serve as a consultant to us for an additional period of three years in exchange for receiving annually his current base salary, the current management fee under the management agreement, his previous year's bonus and current benefits. During such additional period of three years, he would be required to keep himself reasonably available to us to render advice or to provide services for no more than 30 days per year;
- all of his and his management company's unvested stock and stock options shall immediately vest and he will have the option to (i) receive an immediate payment of the stock value and the higher of (a) the value according to the Black Scholes model, or (b) the "in-the-money value" of his options as of the date of such written notice; or (ii) receive an immediate cash bonus from us enabling him, after full payment of all his taxes on such cash bonus, to exercise 100% of his options and continue to hold his stock, with the right to "put" or sell the stock back to us for cash at the stock value at his sole election within three years after his termination; and
- being made whole on an after-tax basis with respect to any taxes that may become payable as a result of any action or provision in connection with a change of control.

If either Dr. Haitzmann or Mr. Hoetzing terminates his agreement without cause, we have the option either (i) to accept his resignation, effective immediately on receipt of such written notice, or (ii) to require him to continue to perform his duties hereunder, for a period not to exceed six months from the date of receipt of such written notice. In either event, he shall continue to receive the same compensation and management fee for a period of six months from the date of written notice or termination. Such compensation shall be paid to him in six equal, successive monthly payments, beginning on the first day of the month immediately following the date of written notice of termination. Upon termination due to death or disability, Dr. Haitzmann and Mr. Hoetzing are each entitled to receive 12 months of salary paid on a monthly basis.

Under the terms of the employment agreements, each executive is required to not disclose any confidential or proprietary information relating to us to third parties.

Under the terms of the PSU award agreements for the 2018 PSUs and 2017 PSUs, if a participant voluntarily terminates his or her employment or if we terminate such person's employment for cause, the PSUs that have not vested will be forfeited. In the case of a termination without Cause, for Good Reason, by death or Disability, or due to a Change in Control (each, as defined in the PSU award agreement), the participant receives a prorated vesting and payout of PSUs equal to the target number of PSUs prorated for the number of days employed during the performance period. In the case of a Change in Control, the PSUs have accelerated vesting if (i) the award is assumed or replaced by the surviving entity and, within 12 months, the participant has a termination without Cause or for Good Reason, or (ii) the award is not assumed or replaced by the surviving entity.

Assuming Dr. Haitzmann was terminated on December 31, 2018 or that a change of control occurred on such date, and assuming further that the market value of his unvested awards was \$7.39 per share of common stock, which was the closing price of our common stock on December 31, 2018, Dr. Haitzmann would have been eligible for the following payments and benefits:

Margaret Stapleton

Ms. Stapleton does not have an employment agreement with us. If we terminate her employment without cause, she would be entitled to all earned salary through the last day of employment. Under the terms of the option award agreements, Ms. Stapleton is not entitled to any acceleration of options.

Under the terms of the PSU award agreements for the 2018 PSUs and 2017 PSUs, if Ms. Stapleton voluntarily terminates her employment or if we terminate her employment for cause, the PSUs that have not vested will be forfeited. In the case of her termination without Cause, for Good Reason, by death or Disability, or due to a Change in Control (each, as defined in the PSU award agreement), Ms. Stapleton receives a prorated vesting and payout of PSUs equal to the target number of PSUs prorated for the number of days employed during the performance period.

Assuming Ms. Stapleton was terminated on December 31, 2018 or that a change of control occurred on such date, and assuming further that the market value of her unvested awards was \$7.39 per share of common stock, which was the closing price of our common stock on December 31, 2018, Ms. Stapleton would have been eligible for the following payments and benefits:

Under the terms of the PSU award agreements for the 2018 PSUs and 2017 PSUs, if Mr. Terler voluntarily terminates his employment or if we terminate his employment for cause, the PSUs that have not vested will be forfeited. EQUITY COMPENSATION PLAN INFORMATION

Information relating to securities authorized for issuance under our equity compensation plans as of December 31, 2018 is as follows:

PLAN CATEGORY	NUMBER OF SECURITIES TO BE ISSUED UPON EXERCISE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS (a)(#)	WEIGHTED-AVERAGE EXERCISE PRICE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS (b)(\$)	NUMBER OF SECURITIES REMAINING AVAILABLE FOR FUTURE ISSUANCE UNDER EQUITY COMPENSATION PLANS (EXCLUDING SECURITIES REFLECTED IN COLUMN (a)) (c)(#)

Equity compensation plans not approved by security holders	—	—	—
Total	1,575,670	5.02	3,191,030

CEO PAY RATIO DISCLOSURE

As required by Section 953(b) of the Dodd-Frank Act and Item 402(u) of Regulation S-K under the Exchange Act (“Regulation S-K”), we are providing the following information about the relationship of the annual total compensation of Dr. Haitzmann and Mr. Hoetzing, Co-Chief Executive Officers, and the annual total compensation of our employees. Using the methodology described below, we determined that the median of the annual total compensation of all of our employees, excluding the Co-Chief Executive Officers, was \$51,632. The annual total compensation of our Co-Chief Executive Officers was \$1,401,758 for Dr. Haitzmann and \$1,392,137 for Mr. Hoetzing. As a result, the ratio of the annual total compensation of each of Dr. Haitzmann and Mr. Hoetzing to the median of the annual total compensation of all employees included in our calculations was 27 to 1. We believe this pay ratio is a reasonable estimate calculated in a manner consistent with Item 402(u) of Regulation S-K.

To identify the median of the annual total compensation of all of our employees we took the following steps:

We determined that, as of December 1, 2018, our employee population consisted of approximately 2,061 employees. This population consisted of full-time, part-time, seasonal and temporary employees of Century Casinos, Inc. and its consolidated subsidiaries employed by us on that date.

To identify the “median employee” from our employee population, we compared cash compensation (which included salary and bonus) of our employees for the year ended December 31, 2018 as reflected in our internal payroll records. This compensation measure was consistently applied to all employees included in our calculations. Due to our international operations, it was determined that the only comparable payroll data across jurisdictions was employee salaries and bonuses. Tips were excluded from the measurement because tips are reported differently in each jurisdiction in which we operate.

We converted compensation paid to non-U.S. employees in local currency to U.S. dollars using the average exchange rate for the year ended December 31, 2018. We did not make any cost of living adjustments in identifying the “median employee”.

Once we identified the “median employee”, we calculated such employee’s compensation for 2018 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, which resulted in annual total compensation of \$51,632, and compared it to the annual total compensation of our Co-Chief Executive Officers for 2018 as set forth in the “Total” column in the Summary Compensation Table included in this proxy statement.

Because the SEC rules for identifying the median of the annual total compensation of a company’s employees and calculating the pay ratio based on that employee’s annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices, the pay ratio reported by other companies may not be comparable to our pay ratio, as other companies have headquarters in different countries, have different employee populations and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their pay ratios.
