Our Space

Located minutes from Edmonton International Airport, Century Mile Racetrack and Casino is Western Canada's only one-mile Class A racetrack. The racetrack is operational year-round with live horse racing happening 35+ weeks of the year, featuring Thoroughbred, Quarter Horse and Standardbred racing.

Century Mile offers unique spaces to host meetings, corporate events, social celebrations, and more. Our facility features a stunning panoramic view of the racetrack from large windows in the Finish Line Restaurant, as well as our three private event suites.

For the racing enthusiasts, we also feature two OTB lounges with live racing from tracks all over North America and select international tracks being shown daily. In addition to our racing amenities, our casino boasts over 600 slots, VLT's and electronic table games, from the classic games to the latest and greatest!

Finish Line Suites

Our private Finish Line Suites are perfect for any group that wants to experience the thrill of racing from their private suite. Each suite is equipped with a sliding glass door that leads out onto our balcony where guests can enjoy an excellent view of the entire track, as well as direct access to the outdoor apron. With a flexible layout guests can customize the room set up to suit their vision for any event. The suites are capable of being transformed from three separate suites into one large suite to accommodate our larger events.

Finish Line Restaurant

The Finish Line Restaurant is an excellent option for smaller group bookings. Offering a delicious rotating buffet menu, the Finish Line Restaurant offers a tiered seating space with a beautiful panoramic view of the racetrack.

If you are looking to book a group under 20, we recommend a reservation in the Finish Line Restaurant. Reservations will open the Monday of that race week and can be made by contacting Guest Services at 587-416-6453 or by emailing finishlinereservations@cnty.com.

Paddock Room

The Paddock Room is ideal for the larger group that is looking for a less racing-focused event. This space boasts a customizable layout with 14 wall mounted TV's that can play up to 5 different feeds. The north facing windows look out directly onto our Paddock.

Trackside Outdoor Tent

Our outdoor tent is a flexible space that can be split into two separate spaces or left as one space for a larger group. Located just down from the finish line, right next to the track, guests will get the opportunity to watch the horses coming towards them to cross the finish line, or enter into the first turn

of the race. This space has a mix of casual lounge seating as well as traditional round tables for guests to sit and mingle.
