OPERATIONS

1. All pari-mutuel pools are calculated and distributed in accordance with the regulations made by the Federal Minister of Agriculture & Agri-Food, under whose approval and supervision such betting is carried out.
2. All tickets should be held until the result of the race is declared official.
3. A winning ticket is valid indefinitely.
4. Minors are not eligible to purchase and/or cash pari-mutuel tickets.
5. A patron may cancel a ticket until the close of the race. Certain thresholds for cancelling exist. A patron may have to provide identification to cancel a ticket. Where the odds of a race may be extremely influenced, an Association or Agency Officer may refuse to cancel a ticket.
6. A claim by a patron that a wrong ticket has been issued to him shall be made by him before he leaves the tellers window.
7. Where the appropriate odds for any horse posted at 1 to 9 the pay-out price based on a \$2.00 ticket in the win pool may be \$2.10.
8. Where the approximate odds for any horse posted at 99-1, the pay-out price based on a \$2.00 ticket in the win pool may be \$200.00 or greater.
9. Approximate odds represent only the probable payout price of the win pool at the time they are posted and have no bearing on the payout price for any other pool.
10. All Canadian betting pools are calculated and break to a nickel.
11. In the event that cancellation of races should result for any reason after five races have been run on any day's program no refund of programs or "rain checks" will be made.

ENTRY OR MUTUEL FIELD

A bet on one horse of any entry or a mutuel field shall be considered a bet on all horses so coupled in that particular entry or mutuel field.

Entry - means two or more horses which are entered to run in a race owned by the same owner or trained by the same trainer or coupled by the Stewards in the betting.

Mutuel Field - means two or more horses which are entered or run in a race and are coupled in the betting for the purpose of accommodating the individual horse competing in the race which exceed the selling capacity of the pari-mutuel system.

Where a horse that is part of any entry or mutuel field is a late scratch and at least one horse of that entry or mutuel field starts in the race, all tickets purchased on that entry or mutuel field remain valid, and the purchase price of any such ticket shall not be refunded.

PHOTO FINISH

The camera is used as an assistance to Stewards arriving at a decision. However, in all races the decision of the Stewards is final.

INQUIRY

The official result of the previous race will be announced as soon as any inquiry is completed. Rulings of the Stewards with regard to the award of purse money, made after the result has been declared official, shall in no way affect the mutuel payoff.

LATE SCRATCH

If the Stewards or veterinarians order a horse or horses scratched before a race has officially started and such action reduces the number of separate betting interest in the race below a total of four, all wagers recorded in the show be refunded.

If there is a late scratch in the Daily Double, Pick-3, Pick-4 or Pick-5 pool, which results in the scratch of an entire betting interest, the association shall permit an affected ticket to be cancelled prior to stop betting of the said pool. If, however, the affected ticket is not cancelled prior to stop betting of said pool, the scratched horse shall be replaced by the win odds favourite at stop betting.

FRANK'S PLAY OF THE DAY

RACE 8

(6) AMERICAN FARMER shipped up from Florida this spring and after a couple of good second place finishes, he demolished a small field back on June 19. However, last time out the speedy sort tests took all the action at the windows but could not deliver. We are going to give this guy another shot with these. The up and coming 18-year-old Richard Balgobin who sits in sixth spot in the jockey standings hitting at a very nice 49% clip in the top three will be in the saddle this time to call the shots for the ever-dangerous Craig Smith barn.

Punters wanting to go in another direction will want to take a look at a couple of top threats including (1) COUSIN RICHIE who was claimed last time out by the dangerous Tim Rycroft barn or (5) PACHECO another who now has a change of address but has the talent to show more with this group at a square price.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Mile race program before placing your bet. The Play of the Day will be available for every live racing card at Century Mile. Selections are pre-weather and scratches. Good Luck!
