## FEBRUARY SOMMELIER WINE SELECTIONS

The 2019 vintage of Amalia Chardonnay is the epitome of summer. Hints of honeysuckle and kiwi rise from the glass as you swirl. Unlike its namesake, the Amalia Chardonnay is shy at first. But soon it becomes synonymous with the Palmaz matriarch, warm and inviting.

Blending Cabernet Sauvignon, Cabernet Franc, Merlot and Malbec into a rich, ripe and concentrated whole, this wine is sanguine in red berry and coffee bean. Soft, integrated and luxurious, it is meant to be enjoyed and approachable in its youth, finishing in leather and dried herb.
